

The Institute of Certified Business Consultants Information brochure

About the Institute

The Institute of Certified Business Consultants is a professional body for business professionals with a growing global presence. Our members are employed in all sectors of the economy and make a significant contribution to the efficiency of any business.

The Institute represents business professionals who work in the business arena. Our focus has always been on professional values and high ethical standards, plus the opportunity for study and career advancement in the field of business consulting. We aim to promote and develop the profession to the public and to those people involved in business consulting guidance to their clients.

Businesses today increasingly require professionals who can integrate knowledge from multiple sources to address strategic business issues and help create new innovation-driven business models. This innovation imperative presents unique opportunities for high-level professionals who can add new value in a global knowledge-based economy.

With this end in view the Institute has developed Certified Business Consultant Certificate - CertBC as a global business management credential.

The Certified Business Consultant (CertBC) Program

The Institute offers an educational program leading to the designation of Certified Business Consultant - CertBC - issued to qualified graduates.

This program is delivered by our approved learning centre - Brentwood Open Learning College. The course is 100% online and has tutor support.

Our Mission Statement

The mission of the Institute of Certified Business Consultants (the ICBC) is to provide education and certification for business consultants so that members qualified to use the designation Certified Business Consultant Certificate - CertBC are recognized internationally as trusted business consultants.
